

## **RV RIVER KWAI 7-DAY/6-NIGHT CRUISE**

The RV River Kwai, the first inland cruise ship in Thailand, is a newly built colonial style river cruiser based on designs used by the original Irrawaddy Flotilla which was founded in Burma in 1865 and by the 1920s was the largest privately owned fleet of ships in the world.

The RV River Kwai carries a maximum of 20 passengers in 10 teakwood cabins (single deck) and operates on a 7 days/6 nights year round cruise program every Monday-Sunday.

The RV River Kwai opens up an entirely new area for river tourism in Kanchanaburi province west of Bangkok. Every morning and afternoon land excursions are offered to visit attractions along the river including temples, historic sites, Khmer ruins, waterfalls, war cemeteries, hot springs, the bridge on the River Kwai, and local attractions, etc.

The RV River Kwai is also available for special Charter Cruises on request.

### **Itinerary:**

#### **MONDAY**

##### **DAY 1**

##### **BANGKOK-KANCHANABURI-BAN KAO**

**[-/L/D]**

- 06:00** Depart from Bangkok by van / coach to Kanchanaburi via Nakhon Pathom.

The admirable rugged scenery of the lake set against rolling hills on the distant horizon is ample reward for the long journey.

**10:30** Visit to Pha Tad Waterfall located in the western zone of Si Nakharin Dam National Park. It originates from a small stream called Huai Kui Mang. Pha Tad is one of the most beautiful waterfalls in Kanchanaburi Province and flows into the Kwai Noi River.

When Dr. Van Heekeren, a Dutch archaeologist was working as a prisoner of war on the construction of The Death Railway during World War II, he accidentally found numerous stone tools in the Ban Kao area. When the war was over, the archaeological excavations were systematically conducted at the delta of the Kwai Noi and Kwai Yai Rivers. A large number of prehistoric skeletons, potteries, stone tools and ornaments were uncovered and exhibited at this museum.
- 11:30** Rejoin RV River Kwai.
- 12:00** Lunch on board while cruising downriver.
- Afternoon at leisure!
- 16:00** Thai Cooking Class: There is no better way to learn Thai cooking than taking an authentic cooking class in Thailand. However this basic cooking class – on deck of RV River Kwai - will introduce you to the wonderful world of Thai flavors. During classes the school's instructional emphasis is focused on three things: traditional Thai technique, innovative use of ingredients and aesthetic presentations. Spend a few hours learning to prepare a traditional Thai cocktail ('Mai Tai'), authentic Thai dishes (e.g. 'Tom Yam Kung' or 'Chicken Green Curry') and a Thai green papaya salad ('Som Tam'). An experience not to be missed!
- 18:30** "Farewell Dinner" and overnight on board.

The sturdy Iron Bridge spanning the River Kwai Yai, which was a crucial part of the Death Railway, was built in some 16 months by Allied prisoners of war and Asian conscripts.
