

RV RIVER KWAI 4-DAY/3-NIGHT UPSTREAM CRUISE

The RV River Kwai, the first inland cruise ship in Thailand, is a newly built colonial style river cruiser based on designs used by the original Irrawaddy Flotilla which was founded in Burma in 1865 and by the 1920s was the largest privately owned fleet of ships in the world.

The RV River Kwai carries a maximum of 20 passengers in 10 teakwood cabins (single deck) and operates on a 4 days / 3 nights year round program every Monday-Thursday and Thursday-Sunday on both Upstream and Downstream programs alternately.

The RV River Kwai opens up an entirely new area for river tourism in Kanchanaburi province west of Bangkok. Every morning and afternoon land excursions are offered to visit attractions along the river including temples, historic sites, Khmer ruins, waterfalls, war cemeteries, hot springs, the bridge on the River Kwai and local attractions, etc.

The RV River Kwai is also available for special Charter Cruises on request.

Itinerary: Program I - Upstream

- 11:40** Continue to Kanchanaburi and visit to JEATH War Museum, a realistic depiction of a prisoner of war (POW) camp with bamboo huts which give an inkling of the grim living conditions and atrocities endured. Trails lead to Hin Tok Bridge and Konyu Cutting where a plaque commemorates the ordeal of Australian and British POW's who undertook the hazardous work in precarious conditions at the aptly named pass. The memorial complex (Hin Lek Fai) is intended to honor the Allied Prisoners of War and conscripted people from India, Burma, Malaysia and other countries who died during construction of the railway, as well as all who suffered as a consequence of the hardships.
